“ADVANCED TECHNOLOGY FOR YOUR BUSINESS” IS OUR MOTTO

ADVANCED TELEPHONE & DATA, INC.,

a Certified Small Business,
has been offering structured
cabling and telephone
system sales and service in
the area since 1998 and has
grown to be the largest
interconnect company based

in Augusta County.

Our President, Mike Fortin, is committed to being a leader in the communications industry, acknowledging that complete assessment of needs is providing the best solution available.

The company strives to meet the changing communications requirements in both the commercial and residential markets of the industry.

AT&D prides itself on installing reliable equipment by certified professionals that are dedicated to achieving total customer satisfaction.

AT&D constantly monitors technological developments in the industry and creatively implements them so that the company's leadership position is maintained.
